## Luxury Room Service Offerings Around the World

By Maya Kachroo-Levine on December 19, 2019

### Ojai Valley Inn, California

Ojai Valley Inn, an [American Express Fine Hotels & Resorts](#) property, does the most charming, housemade room service dining kits, many of which have a beverage pairing option. You can order their South of the Border room kit with guacamole, salsa, and two Ojai tangerine margaritas. Or for a romantic evening, choose their chocolate-covered strawberries room service experience, to which you can add a bottle of [Domaine Carneros "Pink Moment" Sparkling Rose](#), bottled just for the resort.

DOMAINE CARNEROS.
