

WINEMAKERS OFFER NEW YEAR'S RESOLUTIONS

BY **DOROTHY J. GAITER AND JOHN BRECHER**

This year, we decided to go another route. We wondered what kind of resolutions winemakers would suggest for themselves and for others. So we contacted several we'd interviewed this year and their replies highlight why we've always enjoyed talking with winemakers so much.

DOMAINE CARNEROS.

Finally, we did not ask **Eileen Crane of Domaine Carneros** in Napa for her resolutions because we just wrote about her in our most recent column, which included a great picture of her laughing with Dottie over a glass of bubbly. That brought a note from Crane: "This made me realize how much I enjoy laughing -- makes life so much more delightful. It took me a number of decades to realize this, but once I signed on to it, my life changed. I recommend it to everyone."

And, you know, that might be the best resolution of all. Have a great 2019 vintage.
