Where To Taste:

Domaine Carneros

DOMAINE CARNEROS.

No trip to Napa is complete without a visit to **Domaine Carneros**. Founded in the Carneros appellation of Northern California by the Champagne Taittinger family, Domaine Carneros is a small grower producer of ultra-premium Carneros Sparkling wines and limited production Pinot Noirs. Thirty years after the winery's inaugural harvest, Domaine Carneros has become the benchmark for California Sparkling wine, reflecting both the individuality of the Carneros' terroir and the craftsmanship of its French legacy.

The Domaine Carneros Pinot Noir facility sits just behind the main châ teau, styled after a French carriage house. When it was completed in 2003, the state-of-the-art facility housed the largest solar collection system of any winery in the world. The summer of 2018 marked the completion of the highly-anticipated and beautifully-designed Jardin d'Hiver – a conservatory-style addition to the north terrace of the renowned Domaine Carneros châ teau, which will allow guests to immerse themselves and take in incredible views and surrounding vineyards.
