By **Shannah Henderson** - October 6, 2020

From closing a major business sale to landing a dream client, to finalizing a long-awaited product launch, there are so many reasons to celebrate when running a company. One way to do that is by popping a bottle of high-quality, prestigious champagne with your employees! Making a toast and thanking your staff for all that they do will help boost their morale, which in turn will motivate them to continue their great work.

### Domaine Carneros 2012 Le Rêve Blanc de Blancs

This ultra-premium sparkling wine is nothing short of exquisite. Founded in 1986 in the Carneros appellation of Northern California by the Champagne Taittinger family, Domaine Carneros is now the benchmark for California sparkling wine. Their wine reflects both the individuality of the Carneros' terroir and the craftsmanship of its French champagne-inspired legacy. The 2012 Le Rêve Blanc de Blancs is made in the traditional methode champenoise, respecting tradition and the skills and knowledge of Taittinger Champagne.

A highly-respected tête de cuvée, this incredible sparkling wine is crafted from 100% estate-grown Chardonnay. Frequently named America's Best Sparkling Wine, the 2012 Le Rêve Blanc de Blancs holds lovely notes of white flowers, Meyer lemon, poached pear, and a hint of grilled pineapple. This champagne will **make your employees ecstatic!** It also pairs wonderfully with artisanal goat cheese and seafood.
