ELEVATED EXPERIENCES TOP 20

Bucket List for a Highly Memorable Summer

BY LAURA NESS & MARIA GRUSAUSKAS

Natural highs and bird's-eye perspectives: that's what we have in store for you this summer season. In our altitude-seeking summer bucket list, you'll soar in a wicker basket above Napa Valley at sunrise, stop for a breather on the ocean-side cliffs of Carmel for a tranquil horseback ride, take an exhilarating ride over the rolling pastures of Sonoma up to Tomales Bay in a vintage airplane, and, for the bolder still, jump out of a plane at 13,000 feet and "float" back down to Earth.

We didn't forget to include fantastic food and stellar wine destinations in this summer's Top 20—they just happen to be ones that come with a view. From Yosemite's peaks to zip lines through tunnels of trees, these are the Instagram posts worth immortalizing. Go big, go bold, and have fun—this summer is going to be a memorable one.
