HOLIDAYS

Find the perfect wine gift set, vintage for oenophiles

Nov. 20, 2020

Whether it's a special bottle for a holiday dinner or a pandemic-appropriate tasting experience, Bay Area wineries provide a bevy of options for gift givers. Here are 10 options that showcase the region's dazzling diversity of varietals and vintners.

While virtual tastings have helped wineries stay afloat, those who missed in-person experiences can toast the holidays in the serene (and safely outdoors) setting of Napa's [Domaine Carneros](#). Give the gift of a tasting of a flight of sparkling wine (\$40 per person) or other sampler, available by reservations only; if you're hosting, spring for a plate of smoked salmon (\$22) or cheese and charcuterie (\$45).
