Best Napa Wineries for First-Time Visitors

by SARAH STIERCH

DOMAINE CARNEROS.

Domaine Carneros, Napa: Every visit to Napa Valley should begin with bubbles. Founded by the Taittinger family of Champagne fame, Domaine Carneros produces French-style sparklers from sustainably grown estate vineyards. Take in the vineyard views from a table on the patio - you'll feel like you've been transported to a French countryside chateau.

Domaine Carneros, tasting experience: Lovebirds longing for luxury can opt for the Sparkling Suite experience (\$500 per person), which includes a tasting on a private balcony overlooking vineyards - no doubt, you won't forget your first taste of Napa.
