

My Super Bowl Table

Gerry Kataoka : February 6th 2021

Since my team, the San Francisco Forty Niners are not in the Super Bowl, I decided I might as well enjoy some good food. And maybe some special wine. One simple item I always enjoy is guacamole. Another are soft cheeses, like Brie and camembert.

My wine is usually a sparkling wine, usually brut rose' from either **Domaine Carneros** or Aimery in Loire.
