Livermore Valley wine country: Why go?

MURRIETA'S WELL ESTATE VINEYARD

MURRIETA'S WELL

Owned by the Wente Family since the 1930s and “revived” in 1990, Murrieta’s Well ramped up quality and interest when they hired Napa Valley’s Robbie Meyer as winemaker in 2014. Pay Murrieta’s Well a visit for a more swanky wine experience. My favorite of their wines right now is their five-grape white blend, “The Whip.” I’m a sucker for fruity, floral, aromatic dry white wines and this hits the nail on the head.
