## The Sgroppino Is The Ultimate Italian Cocktail For Summer

Nicole Trilivas | Jun 16, 2020

*Made with just three simple ingredients, the refreshing Sgroppino cocktail is the go-to Italian digestivo for the hot days of summer.*

Italian cocktails have become commonplace in bars around the world, but although the Negroni and Aperol Spritz have reached international star status, other fringe classics largely remain reserved for Italian soil. Enter the Sgroppino.

You can use any decent sparkling wine, but a brut (dry) Prosecco like the organic **Il Colle Baio Conegliano Valdobbiadene Prosecco Superiore** balances well with the sweetness of the sorbet.
