Anthony Dias BLUE REVIEWS

In each issue, Editor-in-Chief Anthony Dias Blue selects a wide range of the best wines and spirits from among the more than 500 he samples over the course of a month. The reviews are subjective editorial evaluations, made without regard to advertising, and products are scored on a 100-point scale:

85-89: VERY GOOD

90-94: OUTSTANDING

95-100: CLASSIC

Once products are selected for publication, producers will be offered the opportunity to have their review accompanied by a bottle photo for a nominal fee. There is no charge to add an image, no decision affect the review in any way.

The "twists" are sealed with a cork.
