# VERAMONTE

### VERAMONTE RESERVA SAUVIGNON BLANC 2019 CASABLANCA VALLEY, CHILE

The second release of this wine as all organic and the first with the new label. Pale straw-gold hue; a tart, zesty, fresh and clean sauvignon blanc, offering notes of grapefruit, melon and mango; subtly leafy and grassy, with a delicate aspect of white flowers; quite dry, teeming with limestone and flint minerality; hints of fig and lemongrass in the finish. A terrific Summertime quaffer.
